**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I've been using Sonic for a number of years now for internet and telephone services. I'm a small business owner, and I love that Sonic provides a large set of various telecom-related services at an affordable price.

I especially love that their basic package includes voicemail, caller ID and fax, which I used to have to pay extra for.

Sonic is an important part of the success of my small business, and it is critical to my ongoing operation.

Regards,
